

## **RENT MY WEDDING ANNOUNCES 2019 “BEST OF THE BEST” EVENT VENDORS**

### ***Annual award recognizes top event industry professionals in the U.S.***

MIAMI, FL – September 12, 2019 – RENT MY WEDDING announced its 2019 “Best of the Best List” recognizing the top wedding and event professionals in the U.S. The “Best of the Best Awards” is an annual invitation-only awards program distinguishing exceptional business and individuals in the wedding and special event industry. Vendor award categories include wedding and event planners, caterers, cake artists, florists, venues, and DJs / bands.

“We are excited to celebrate this year’s winners,” said Marie Kubin, CEO of RENT MY WEDDING and Editor-in-Chief of RENT MY WEDDING Magazine. “These vendors have demonstrated excellence in their field, outstanding service to clients, and unparalleled professional achievement.”

An online poll was conducted to determine the best vendors. Over 600 finalists were nominated, and more than 10,000 votes were cast. The top 5 vendors with the most votes in each category were selected as winners. These winning vendors are included on the annual “Best of the Best List,” and the number one vendor in each category will be featured in RENT MY WEDDING Magazine.

Awards were also presented for the best real weddings. The top 12 weddings were selected by the RENT MY WEDDING Magazine editorial team based upon photo submissions. These weddings will be featured in next year’s issues of RENT MY WEDDING Magazine.

RENT MY WEDDING Magazine is a nationwide print and digital publication featuring the top tastemakers in the special events industry. The magazine is published by RENT MY WEDDING®, the nation’s largest online event rental company. Rental items are shipped directly to customers, and afterwards customers send rentals back using a free return label. The goal of RENT MY WEDDING Magazine is to provide helpful resources for event professionals as well as anyone planning a wedding or event.

"RENT MY WEDDING is honored to sponsor this awards program," said Kubin. "We would like to thank all the professionals who took part in the nomination process, as well as everyone that participated in voting."
