

## **RENT MY WEDDING ANNOUNCES 2020 “BEST OF THE BEST” WINNERS**

### ***Annual award recognizes top wedding professionals in the U.S.***

MIAMI, FL – December 10, 2020 – RENT MY WEDDING announced winners of the 2020 “Best of the Best Awards” recognizing the top wedding and event professionals in the U.S. The “Best of the Best Awards” is an annual invitation-only awards program distinguishing exceptional businesses and individuals in the wedding and special event industry. Vendor award categories include wedding and event planners, caterers, cake artists, florists, venues, DJs / bands, and other event professionals.

“The pandemic has made this an extremely challenging year for the wedding industry,” said Marie Kubin, CEO of RENT MY WEDDING and Editor-in-Chief of RENT MY WEDDING Magazine. “We are excited to have a reason to celebrate and focus on something positive. The awards program shines a spotlight on the amazing work of extremely talented professionals.”

An online poll was conducted to determine the best vendors. Each year, hundreds of finalists are nominated, with more than 10,000 votes cast. The top 5 vendors with the most votes in each category are selected as winners. These winning vendors are included on the annual “Best of the Best List,” and the number one vendor in each category will be featured in RENT MY WEDDING Magazine. Winning vendors also receive prizes including premium vendor listings with RENT MY VENDOR.

Awards were also presented for the best weddings. Sixteen finalists were selected by the RENT MY WEDDING Magazine editorial board based upon photo submissions. The overall winner and top 10 best weddings were selected by voters on Instagram. Winning weddings will be featured in RENT MY WEDDING Magazine. Winning vendors also receive premium vendor listings with RENT MY VENDOR.

This year, an additional award category was added for Best Client Event. This award showcases the top wedding or event of the year using RENT MY WEDDING products. The winner is selected by the editorial board based upon rental client photo submissions from the past year.
